## Business Head For Hospital To Be Urged

### Big Savings Seen As Possible Under Plan

### GO AFTER BILLS

### Those Able to Pay Not to Get Free Attention

Insistence will be made by Dr. C. V. Thompson, Burlingame, new chairman of the board of supervisors, that the 1933-34 budget, on which the board opened studies today, must provide for a manager in charge of the Community Hospital.

Dr. Thompson told the board members he believed that a manager could save thousands of dollars yearly in the operation of the county institution, and would save additional thousands by collecting the bills of patients able to pay.

The board, he said, appeared to be in accord on his suggestion. The chairman said, if necessary, salaries at the institution will be forced down sufficiently to provide for the manager, whom, he said, would earn his salary many times over in savings which he could effect.

**Grand Jury Support**

The placing of a manager in charge of the hospital has been recommended by a number of grand juries, and Dr. Thompson said he has also urged the matter before the board.

No recommendations were laid before the supervisors today by the Citizens Charter Advisory Commission as to the county budget, after the group had met in County Manager Walter T. Kellogg's offices late yesterday.

James B. Howell, chairman of the group, said that an intelligent discussion of salaries could not be engaged in as the entire county budget was not before the committee. The same view was taken today by the supervisors, which deferred the budget study until Friday at 9 a. m., when Controller Edward Stack is to have the proposed budget whipped into shape.

**Economies Needed**

The citizens' committee found, after the study yesterday, that it was "evident that economies must be effected in various departments to keep the budget within last year's figures."

The committee discussed various budgets with County Clerk Elmore B. Hinman, Planning Advisor Hugh Pomeroy, Assessor Daniel Flynn, and Dr. Ralph E. Morrison, new county health officer.

Fair study of salaries, it was decided, could not be engaged in unless a classification is prepared to show the experience and seniority of employes of the various offices.

**Salaries Fixed Now**

Controller Stack informed the board members that he did not see how the supervisors had any power to change salaries at this time because of their adoption some weeks ago of the salary ordinance. Stack had urged the board some weeks ago to defer salary reductions pending the proposed personnel study.

The controller declared that county salaries for many executive positions were below those paid in other counties.

The citizens committee, examining the planning budget, said it believed that reductions could be worked out in that department which will not materially affect the planning program.

Dr. Thompson said the public will not be called in to make recommendations until the budget has taken definite shape. Two public hearings will then be held.

## Flood Case Figure Being Sued on Note

The Virginia Timber & Lumber Company today sued to collect $22,380 assertedly due from Eugene Aureguy and Carmelita Aureguy, of San Francisco, as the balance due on a note for $85,000 executed in San Jose in 1926. Aureguy was a central figure in the James L. Flood litigation.

Interest and other charges brought the total amount due to $87,380, and sale of timberlands southwest of Woodside given to secure the note, which brought $65,000, the original loan, left the balance for which the firm is now suing. Ross & Ross represent the plantiff.

## CENTRALIZED CONTROL REDUCES ROAD BUDGET

CALLING for $78,982.72 less than a year ago, or a reduction of 29.11 per cent, the budgets for the road department and the surveyor-engineer department were presented to the supervisors Monday by County Engineer James S. James.

The road department budget totals $245,610, the figure to which it was raised by James at the suggestion of the board of supervisors after he had tentatively suggested a budget of $175,000.

The purpose of the board in raising the figure was to create as much employment as possible on the roads.

The $245,610 figure is Controller Edward Stack's estimate of the money that will be available for road purposes.

James has added two relief projects to the road budget as a result of the board's instruction. These projects, totaling $54,000, are for the cost of reconstruction of the county road through the Memorial Park and the Woodruff creek section of the La Honda road, using unemployed labor.

The $245,610 figure is $76,890, or 23.84 per cent less than a year ago. The lower figure is made possible through centralization of road management, and due to fewer miles of county highways.

The state this year has taken over 82 miles of county roads, including the Coast highway, San Mateo-Half Moon Bay road, and Alpine road. These roads so far have claimed only nominal expenditures.

**Comparisons Made**

Comparisons of the old and new road budget, with the 1933-34 figure stated first, are:

Salaries and wages, $81,780 against $132,073.04.

Maintenance and operation and specific projects, $100,000 against $165,373.90.

Capital outlay, $57,500 against $25,053.48.

Unapportioned reserve, $6330.

The capital outlay items include $9000 for rights of way on the La Honda road, $25,000 for a central county garage, and $23,500 for road machinery, automotive and office equipment.

The engineering-surveyor budget totals $37,545 against the old budget of $39,637.72, or a reduction of $2,092.72, or 5.27 per cent.

**Surveyor's Budget**

Items in the surveyor's budget compare as follows with the old budget, the new figure appearing first:

Salaries and wages, $31,060 against $35,104.63.

Maintenance and operation, $4360 against $3,736.38.

Capital outlay, $2125 against $796.71.

The supervisors put the budgets on file and will consider them during the regular budget discussions, which are expected to open this week.

## A. Hurlimann Succumbs At Age of 47 Yrs.

Following a long illness, Adolph Hurliman passed away Sunday afternoon. He had resided in this community for the past 16 years, living at 262 Roosevelt avenue. He was a native of Switzerland, and was 47 years of age.

He is survived by two sons, Adolph and Edward Hurlimann of Redwood City; and three stepdaughters, Miss Jessie Leslie of Redwood City, Mrs. Estella Dandliker of Petaluma, and Mrs. Irma Gibson of San Mateo; and a stepson, Willis M. Leslie of this city. He leaves a brother, Jacob Hurlimann, living in Switzerland.

He was a member of Metamora Tribe No. 24 Improved Order of Redman, and Redwood City Aerie No. 418, Fraternal Order of Eagles, and Embarkadero Camp No. 256, Woodmen of the World.

The funeral services will be held on Tuesday morning at 11 o'clock at the Layng and Tinney Funeral Home, and will be conducted by the Rev. Norman W. Pendleton, pastor of the First Congregational Church. The interment will take place at Alta Mesa Memorial Park.

## Willard Beeson Passes; Lived Here Many Years

Williard Warren Beeson passed away in Petaluma at the home of his granddaughter, Mrs. Estelle Leslie Dandliker, last week. Mr. Beeson was born in Pescadero in 1855 and moved to Redwood City in his early youth. He was a blacksmith for a good many years and occupied a building on the present site of Victor Michel's shop on Main street.

He was dearly beloved by all who knew and came in contact with him and leaves many sorrowing friends in Redwood City and the coast side. He was a member of Healdsburg Lodge, Independent Order of Odd Fellows, and Redwood Parlor, No. 66, Native Sons of the Golden West.

Mr. Beeson is survived by his wife, Elizabeth Beeson; a daughter, Mrs. Maude Hayden of San Francisco, and a son, Willis L. Beeson, of Marysville.

Funeral services were held last Saturday afternoon from the funeral home of Layng and Tinney, and were conducted by the Bayview Lodge, No. 109, I.O.O.F.

**GETS TIME ON FINE**

BURLINGAME, Aug. 15.—H. L. MacDanell of Palo Alto was fined $25 today on a charge of reckless driving and was given two weeks to raise the fine by City Judge Murphy.

## 'Renovizing' Expenditures May Be Small

### Big Projects Welcome But Little Ones Are Sought

While scores of volunteers contacted property owners throughout San Mateo county today in an effort to obtain pledges to renovate and modernize homes and business buildings, campaign headquarters in San Mateo stressed the importance of the smaller jobs.

**"Of course, the big jobs, that run into thousands of dollars—such as new buildings—are welcome, and they help to swell a community's quota quickly," declared a spokesman at renovize headquarters. "But the idea of the renovize campaign is to spread its benefits everywhere. No job is too small, be it repairing the roof, remodeling the attic or making improvements in the garden.**

"In the grand total, many small jobs amount to a considerable sum of money, and mean the employment of a goodly number of persons."

Ravenswood was actively in the campaign today, following a public meeting in the school there Wednesday when C. C. Young, former governor and chairman of the county executive committee, spoke on the advantages of renovizing. Other speakers were Roscoe F. Byrnes and Frank McVeigh, campaign leaders. Dr. E. R. Tait heads the Ravenswood committee.

**In Redwod City, Henry Witte, local chairman, reported that his aides are making house to house visits, "with very good results." He also added: "The pledges are coming in beyond our expectations, and we are greatly encouraged." The local goal is $150,000.**

San Carlos, too, reported satisfactory progress, as did other communities in various parts of the county.

## $227,678 for Work Relief

The San Mateo County Committee on Unemployment Relief, in its weekly report on work relief for the unemployed, shows the following figures from August 7 to August 12, inclusive:

**County Bond Funds**

| | |
|---|---|
| Week's expenditure: | |
| Labor | $ 4,413.75 |
| Total expenditure: | |
| For 38 weeks | 227,678.33 |
| **Work Furnished** | |
| Bond issue funds, men | 265 |
| Bond issue funds, women | 33 |
| San Mateo city private funds, men | 2 |
| Burlingame city private funds, men | 4 |
| Burlingame city private funds, women | 2 |
| Hillsborough private funds, men | 13 |
| County committee private funds, men | 1 |
| Total | 320 |

**MRS. DOLAN HAS DIVORCE**

Mrs. Frances Pauline Dolan today was granted an interlocutory decree of divorce from Thomas Dolan by Superior Judge Franklin Swart on the ground of cruelty. She also won permission to resume her maiden name of Childs. The plaintiff was represented by Attorney J. E. McCurdy of San Mateo.

## Co. Manager's Job Seems On Firmer Basis

### Chairman's Efforts Result Only in Board Split

The position of County Manager Walter T. Kellogg appeared to be secure today as far as supervisorial action was concerned and the efforts of Dr. C. V. Thompson, new chairman of the board of supervisors, had only a net result in splitting the board three to two.

The action against Kellogg lost progress on Monday when Supervisor Manuel Francis, Half Moon Bay, who had relinquished his post to Thompson only a week ago, switched to a definite stand in favor of Kellogg.

On Saturday Francis announced that he would not take sides. He joined Supervisor John Poole of Redwood City and Supervisor Rosalie Brown of San Mateo in supporting the present retention of Kellogg.

Dr. Thompson and Albert Witt, Colma supervisor, stood pat in their decision to seek Kellogg's ouster.

The question of Kellogg's removal did not come before the board Monday as scheduled.

Kellogg may next face the prospect of defending his right to the office in a quo warranto proceeding which Attorney John E. Manders of Redwood City is seeking to file. This proceeding will question Kellogg's legal right to the office.

## Daniel J. Geary Lived Long and Full Life Here

Daniel J. Geary, after a residence in Redwood City of 57 years, passed away on July 27 at his home here at the age of 84 years. He saw the light in Cork, Ireland, and as a young man came west to seek his fortune, still having a passionate love for his native land, an affection that lasted until the final summons came.

Mr. Geary was a highly respected citizen, beloved for his honesty and integrity and held in high esteem by the residents of Redwood City where he lived so long. Mr. Geary was a religious man who devoted much time to the practice of his faith.

Besides his wife, Augusta Geary, he is survived by two children, Gertrude Geary and Mrs. William Baldwin, and two grand children, Lucille and Verle Baldwin.

## School Taxes Are Reduced Substantially

### Sequoia, Elementary Costs 7 to 26 Cents Less

**Taxes of the Sequoia Union High School District will be seven cents per $100 lower than a year ago—**

**And 26 cents per $100 lower in the Redwood City Elementary School District—**

This announcement was made today by Miss Pansy Jewett Abbott, superintendent of schools, and Controller Edward M. Stack.

The savings are made possible through the requirement by Assembly Bill No. 1078 that all cash surpluses must be used up this year, and through reductions in the budgets by the school trustees.

The Sequoia rate will drop from 75 cents per $100 to 68 cents, or a saving of seven cents.

The elementary school rate will drop from 45 cents to 19 cents, or 26 cents less.

In Belmont, the elementary school rate will be lowered from 45 cents to 5 cents, a drop of 40 cents.

In San Carlos the rate will fall from 75 cents to 35 cents, a decline of 40 cents.

The Las Lomitas rate will drop from 48 cents to 38 cents, a saving of 10 cents.

The San Mateo Union High School District rate has not yet been determined. The state board of equalization has been asked to allow the trustees to make extensive alterations of the Burlingame and San Mateo high schools so that the buildings may be "earthquake-proofed."

If permission is given to do this work the San Mateo high school district rate will be 60 cents per $100. If not, the rate will drop to 25 cents per $100. It is now 65 cents per $100.

**Rate Looms at $1.771**

Hedged about by limitations announced by Attorney General U. S. Webb, San Mateo county's tax rate for 1933-34 loomed today at $1.771 per $100.

This is estimated by deducting the amount of the school tax, $1.208, from the old rate of $2.895, leaving $1.687.

Then, under Webb's ruling, the board can increase this latter figure by 5 per cent, or 8 cents, 4 mills.

Here it is in tabular form:

| | |
|---|---|
| 1932-33 rate | $2.895 |
| School tax | 1.208 |
| Balance | 1.687 |
| 5% increase | .084 |
| New rate | 1.771 |

## REGULATIONS OF PUBLIC WORKS RECEIVED HERE

Calling upon boards of supervisors to submit programs of public works prepared by their planning commissions, the state advisory board of the public works administration today released to the counties the official regulations governing the allocation of federal funds to local public works projects.

Copies of these regulations were received by the board of supervisors and the county planning commission and an analysis of them was immediately undertaken by the latter in order to put into official form the program of projects heretofore worked out.

Joseph F. Cambiano, chairman of the county planning commission, pointed out that San Mateo county is fortunate in that the commission's active program has enabled this county to be at the forefront in the outlining of its projects.

He said that it is particularly significient that the federal regulations emphasize planning as the keynote of the entire program.

While Hugh R. Pomeroy, advisor to the commission, was in Washington, he was called into consultation in the formulation of these regulations. The first proposal was that the only acceptable security for loans would be bond issues and that only in the event that a city or a county had exhausted its bonding capacity would it be possible to enter into lease-purchase contracts, where such would be applicable, such as in the case of public buildings.

Pomeroy pointed out that it would be unfair to penalize a city or a county which had maintained a sound financial policy and to require the exhaustion of bonding capacities before the benefits of the act would be available.

Changes were subsequently made so that San Mateo county, in its proposed building projects, may apply for a loan which will be secured by a lease contract with the federal government. Or, to put it more simply, the government would construct a building and lease it to the county until the accumulated lease payments constitute the cost of construction plus interest. The interest rate, in any case, is fixed at 4%.

## Veterans of Co. May Request Aid Up to $125,000

Veteran relief necessary during 1933-34 which may be included in the county budget was estimated between $75,000 and $125,000 today.

Of the county's 782 veterans, some 162 of whom are expected to be in need of calling upon the county for help, only 46 have replied to questionnaires, it was reported.

The subject is being worked out by a council of veterans.

## Burlingame Studies Municipal Utility

BURLINGAME, Aug. 14.—Municipal ownership of its electric distributing system is being considered in Burlingame.

At the first of a series of meetings on the subject, Mayor C. A. Buck presided. Leon B. Jones of San Francisco gave a preliminary estimate of the cost, and declared that the city could practically be operated on the profits from its power.

Manager E. A. Rolison of Redwood City and Carl Anderson, director of operations of the Palo Alto municipal plant, were others invited to speak.

# COUNTY GIVEN $773,000 IN STATE ROAD BUDGET

SAN MATEO COUNTY recorded progress today toward its major highway problems when the department of public works at Sacramento announced its budget for the current biennium.

Of $59,000,000 to be spent, San Mateo county was allotted $773,000 outright and a probable interest in $600,000 of San Francisco's share, bringing the total road benefits to the county to $1,373,000.

Major cross-county highways appeared not to have been benefited, with but $73,000 voted for the Half Moon Bay road west from the Skyline. No mention was made of the so-called San Joaquin to the Sea highway, and no funds were given for the Woodside-La Honda or Alpine roads, and only $100,000 for the Coast highway. In San Francisco's allotment, $600,000 is made available for the El Camino and Bayshore highways. First work on the major undertakings is expected to start October 1.

San Mateo county's allotment of $773,000 is divided into four projects, all of which are most necessary improvements to the highways in this section and for which this county has long been agitating. Two of these were drawn to the personal attention of Governor Rolph and received assurances from him that they would be laid before the state highway commission for consideration. These were the Coast highway and the Half Moon Bay highway.

Sums included were for the following projects:

1. Grading and paving of portions of the Junipero Serra boulevard at an estimated cost of $300,000.

2. Elimination of the Mission street bottleneck, $300,000.

3. Grading and surfacing of the Half Moon Bay road from the Skyline boulevard west, $73,000.

4. Grading of portions of the highway from Sharp's Park north to San Francisco, $100,000.

The total of these four projects, $773,000, is boosted to $1,373,000 by the addition of $600,000 in San Francisco's budget for improvements on the two main peninsula highways.

The neighboring county of San Francisco is allocated $2,250,000 as its share of the budget. Of course, the major expenditure in that county will be for purchase of rights of way and the grading and paving of approaches to the San Francisco-Oakland bay bridge. For this $1,650,000 has been apportioned.

To this countys' south, Santa Cruz is voted $317,500. Of this, $265,500 will be used in grading and surfacing 6.7 miles from Inspiration Point to Scott Valley. The remainder, $52,000, goes to improve the east entrance to the City of Santa Cruz.

Santa Clara gets $305,000, of which $240,000 will be employed on the Bayshore highway from Lawrence Station road to the Alviso-Santa Clara road where 2.6 miles will be graded and paved. The balance of $15,000 will be spent in improving Monterey street in Gilroy on the Coast highway, and $50,000 for widening the Mayfield bottleneck.

## Retailers Must Have Licenses By September 1

**All retailers were again reminded today by Howard I. Wood, manager of the chamber of commerce, that they must be licensed by September 1 under the terms of the sales tax law.**

**Forms can be had by calling at the office of the local chamber. Also, the chamber of commerce will endeavor to answer questions of local business people relative to the sales tax.**

**Latest rulings and answers to queries were mailed today to secretaries of chambers and merchants associations in every city of the state by the California State Chamber of Commerce.**

## Here's What Contestants Have to Do

The rules of The Tribune's Better Homes contest are simple. Here they are. Clip them for future reference:

1.—The Better Homes contest begins today and ends December 31. Final photographs and information must be brought or mailed to the Tribune Contest Editor not later than midnight the last day of the contest.

2.—No one connected in any way with the Tribune may enter the contest.

3.—Awards of prizes will be made to those whose home improvements do most toward making the home more convenient and comfortable for the family, at the same time improving its exterior or interior appearance.

4.—Each entry will be judged solely on its excellence. A small and inexpensive improvement will have the same consideration and chance of winning as a large one.

5.—After you have entered the contest by mailing the entry coupon (at the bottom of the page) send us as soon as possible a photograph or snapshot of the part of your home you are going to improve, or of the entire home if you plan to rebuild. Be sure you name and address are on the back of the picture. When you have finished your improvement project, send us an "after" photograph or snapshot, showing the change or changes you have made. If necessary, you can send also a brief letter describing the changes. Be sure the "after" photographs are taken from the same position as the "before."

6.—The names of all entries in the Tribune Better Homes contest will be forwarded to Better Homes & Gardens, for enrollment in that magazine's $3000 prize national contest. Each entry will receive free of charge from Better Homes & Gardens a copy of the new book on new ideas on home renewing.

## Local Woman Passes Away

Following a lengthy illness, Mrs. Diana Noimi Holterman passed away at her residence at 1910 Middlefield road. She had resided in this community for the past nine years, and was a native of West Virginia, aged 74 years.

Mrs. Holterman is survived by her husband, Benjamin Holterman; three daughters, Mrs. Rose Bayes of Porterville, Mrs. Mary Russell, Mrs. Ella McCandless, and a son, Benjamin Holterman, all of Redwood City.

She was an active member of the Seventh Day Adventist Church.

## Petty Theft Cause Of 30 Day Sentence

SOUTH SAN FRANCISCO, Aug. 15.—Thomas Freeman, 39, San Francisco, an employe of a South San Francisco smelter works, was given a 30-day term in the county jail on a petty theft charge over theft of metal, following his appearance today before Justice of the Peace Edward Farrell.

Thomas J. Manion, 33, another employe of the plant, received a 180-day sentence.

## Y.M.C.A. Plans to Honor Founder, Sir Geo. Williams

The local Young Men's Christian Association will do honor this fall to the birth of its founder, Sir George Williams.

Mayor C. A. Buck of Burlingame is elected to be general chairman of the observance by the San Mateo county Y. M. C. A. committee of management. Buck in outlining the purposes of the observance at a county-wide meeting held in San Carlos, said: "In honor of Sir George Williams, founder of the Young Men's Christian Associations throughout the world, we shall endeavor to publicise the purposes, policies, and program of the Y. M. C. A. We shall endeavor to enlist sustaining and active members in the movement and give due recognition at a final banquet to the men who founded the Y. M. C. A. in San Mateo county. This observance will extend over the period of one month from September 11 to October 11, the date of Sir George Williams' birth in 1821."

An executive committee was elected to carry out the purposes of the observance throughout the peninsula cities. On the committee are: George J. Davis, Floyd Tower, J. H. Acheson, Harry Jenkins, and C. A. Robbins. Other leaders will be oppointed shortly.

Following is a list of the men present at the meeting last night: C. A. Buck, William H. Eddy, Martin Kemmerle, Elmer Roberts, Russel Dow, Earl Kuhn, S. M. Millard, Delmar Meade, Rev. R. B. Cherington, Wilbur Doxsee, J. E. Morrish, Herman Phillips, B. L. Werder, Rev. Arthur Brett, J. H. Acheson, T. E. Drisko, Rev. Adam Morton, Ira H. Potter, Floyd Huff, John Titsworth, Ellis Sprunger, R. A. Hohberger and R. W. Simcock.

## One Killed In Bayshore Auto Crash; 6 Hurt

A San Francisco man was killed and six persons were injured in a head-on collision between two cars on the Bayshore highway near the San Francisco county line Sunday night.

John J. McDonald, 21, of 1975 Oakdale avenue, San Francisco, is the dead man.

He was riding with William J. Posedel, 24, of 486 Exeter street, in a car going north when it collided with a southbound car driven by Howard Sealander, 34, of 1265 Drake avenue, Burlingame, according to state police.

Posedel suffered cuts and bruises and Sealander incurred cuts and suffered shock.

Mrs. Sealander, his wife, may have incurred a skull fracture and possible internal injuries; Cora Evelyn Sealander, 2, his daughter, incurred a cut on the hand.

In the other car, Carl Ranft, 1603 McGree street, Berkeley, and Rudy Gabbiani, 20, of 2135 Quesada avenue, San Francisco, suffered lacerations.

## Green Players Open Membership to 50

SAN MATEO, Aug. 15. — The Frederick Green Players, at a short business meeting before the rehearsal of the forthcoming play, "The Count of Monte Cristo," decided to open the membership to 50, allowing persons not only interested in acting, and the Little Theatre movement, but in the complete workings of the stage to become members of the group.

"The Count of Monte Cristo" will be on August 24 and 25 at the Players' Little Theatre in the San Mateo Women's Club.

## Mrs. Linebarger Winner of Prize

Mrs. B. Linebarger, 229 Hudson street, Redwood City, was winner of the weekly prize last week in the Public Food Stores' big $5000 prize contest.

## Crawford Sets New Record By Using Flying 'A'

Breaking all existing records for the run from El Centro to San Diego, a new Ford V-8 driven by Dave Crawford, former racing driver, and powered with the new Flying A gasoline, on July 28 set an average speed of 62 miles per hour.

The road, leading over the Cuyamaca mountains, is recognized by motorists and race driver alike as particularly difficult. The fact that it has seldom been negotiated by the best known professional drivers in less than two and one-half hours, places Crawford's record of two hours flat as a significant tribute not only to his driving ability, but equally to the performance of the new Ford and fast action of the new Flying A.

In spit of the Ford V-8's high compression ratio of 6.33 to 1, Crawford experienced a total absence of "pinging" or detonation. He declared with enthusiasm at the conclusion of the run, that the new Flying A was the finest non-premium gasoline he had ever used.

## Sisevich Preliminary Hearing Continued

The preliminary hearing of Mrs. Gladys Sisevich of San Mateo was continued today to August 24 at 1:30 by Justice of the Peace Percy Jackson, San Mateo, sitting here.

Mrs. Sisevich is charged with manslaughter and driving while intoxicated as the result of the fatal accident in East Palo Alto on July 29 which snuffed out the lives of Mrs. Addaline Lyons, 38, and her baby, Nancy, 8 months old, as they walked along the Bayshore highway.

# EDITORIALS

## Draws Investors

The harbor project for Redwood City is drawing the attention of investors from all parts of the state. Capital is looking to Redwood City for safe investment in real estate and industrial enterprises that will follow when work begins on the harbor proper.

Beneficial effects are already felt. Men of means are here every day looking over the ground preparatory to investing in real estate in this locality. Redwood City is certain to be the boom city the peninsula in a brief time. When once the municipality starts, just watch her growth.

## Do Your Part

Every one is urged to support President Roosevelt in his program of restoration. Any violations of the NRA should be punished severely. If all uphold this measure and give complete support prosperity will be here in a short time. It may cause a hardship on a few for a short time, but it is practically a war measure and the only way to throw off depression and get back to normalcy.

## Deserves Fair Trial

It is with a great deal of satisfaction to this paper to see the action of the board of supervisors in regard to the new county manager, Walter T. Kellogg. It would have been a great miscarriage of justice to have thrown out of office an experienced and popular official without a thorough and fair trial. It most certainly would have cast a shadow on the board's own ability to choose a capable man for the position. When this new office was created by the county charter some twenty-five men of wide and varied experience put in their applications. Out of this field the board chose Walter Kellogg as the person most fitted for the job. They certainly must have felt at that time that he was perfectly qualified to carry out the duties of the office. He has been in office too short a time to thoroughly acclimate himself to the new position. He has not been able to avail himself of the experience of past county managers as he is the first one to handle this office. Let us be perfectly fair in the matter and give Kellogg a fair trial. It is the opinion of this paper that with a little cooperation and harmony he will prove himself the man that the board concluded he was when they so selected him. This ouster of Kellogg is certainly not a popular move throughout the county and his retention deserves the support of the entire board.

# GIRL BATTLES OCTOPUS, AIDS DAD'S EXPERIMENT

At the risk of bodily injury to further her father's experiments with his "inverted periscope" camera, Miss Florence Douglass, talented and attractive daughter of Leon F. Douglass, well-to-do Menlo Park inventor and scientist, today had emerged victorious in a battle with an octopus.

The fight between the girl and the octopus took place in the private swimming pool on the Douglass estate at Menlo Park. The octopus was brought to the estate from Monterey in a large barrell filled with salt water.

When it came time for the experiments, Miss Douglass volunteered to face the writhing monster. She jumped into the water and dove at the octopus while her father stood by grinding his movie camera and guards stood about the pool ready to dive in and rescue the girl.

The octopus closed his eight arms about the girl's body, arms and legs. At a signal from Douglass, the guards jumped into the pool and grappled with the monster until he let go.

Miss Douglass, who has developed great ability to stay under water for a considerable period, emerged from the experience unharmed. The octopus, which cannot live long in fresh water, died after being returned to the salt water barrel.

Miss Douglass bore red circles about her body where the "vacuum cups" of the octopus had grasped her.

The Douglass family in their Smithsonian expedition a year ago had many thrilling experiences with deep sea monsters, so to Miss Douglass the battle with the octopus was one of the tamer affairs.

### MRS. M. WHITE COMES TO R. C.

Mrs. M. White, of Santa Cruz, has removed to Redwood City, and is living in an apartment at 642 El Camino Real.

## Court Proceedings

**DEPARTMENT No. 1**

Maymie Cowley vs. Manuel J. Bernardo (demurrer), overruler, 10 days.

Charles Henry vs. Joseph Butte (demurrer), sustained.

Flora Morris vs. Leonard B. Morris (order to show cause), continued one week.

Person and estate of Dorothy Merle Palin (second account), settled.

Estate and guardianship of Lawrence J. Fitzgerald (fourth account), continued until August 21.

Guardianship of Weldon Day Bowman (fifth account), settled.

# Menlo Park

Five Menlo Park boys enrolled at the University of Santa Clara this week. They are Adrian Ward, a freshman; Joseph Sullivan, Warren Morey, Kearney Hill and Sergius Bryner.

Mr. and Mrs. L. W. Cleland of Menlo Park are being congratulated on the birth of a daughter, Beverly Ann, who arrived at the Palo Alto Hospital Saturday.

Joseph Prince, who has been ill at his home on Pine street, is recovering and will soon be convalescent.

The post office department will shortly decided where the proposed new local office is to be located. Several are bidding for it.

Edward Derry is contemplating the erection of a big business building at his present location.

Joseph J. Bagley, the popular flagman at the Southern Pacific railroad crossing on Oak Grove avenue, has jumped in to print and appears on the front pages of the municipal papers. Bagley claims that a Negro had called on him a short time ago saying that he had killed Mrs. Lamson.

Bagley declared that the Negro had approached him at the railroad station shack about a week after the murder. The Negro, he said, asked him for a cigarette and when Bagley replied that he didn't have any, he then requested a newspaper.

"I told him that I didn't have a paper, but gave him three cents and directed him to the station newsstand where he could purchase one."

"He came back a few minutes later with the paper in his hand. Pointing to it he said: 'That fellow didn't kill his wife. I'm the one that murdered her'."

James G. Mason has closed his summer home at Seabright and has returned with his two daughters to his Menlo Park home.

Miss Carmel O'Keefe will return to San Francisco College for Women next week after a vacation of two months spent mostly in Reno and at Lake Tahoe.

Several sales of real estate are pending in Menlo Park and will be closed shortly. The realty consists of large holdings to be used for breeding horses. The pari mutuel law having become effective horse men are looking to this locality to breed racers.

Palo Alto having failed to adopt a beer ordinance makes Menlo Park the mecca for the thirsty of the College City. Beer gardens are springing up everywhere to meet the demands of beer drinkers.

Fred Nessler, proprietor of the Little Green Door, was removed to the Community Hospital yesterday morning suffering severely from an old ailment. He returned from the hospital several months ago cured and was enjoying good health until a few days ago Nessler's friends are much alarmed over his illness.

Miss Lorraine Bonner has returned from a visit to the East and is visiting friends here. She is a resident of San Mateo.

The C. Y. O. boys will sponsor a card party in the auditorium of the grammar school on August 26. Good prizes are to be awarded.

The city council may be commended for its wisdom in its selection of the personnel of the police department. Chief Kearney is an outstanding young man, able and conscientious, and an officer of splendid judgment. The other two, Frank Roach and J. H. Heltzel, stand high in the community.

Tuesday evening the Matt Harris Club of the Menlo Park Fire Department met at the firehouse and after the transaction of routine business witnessed the moving pictures of the operation of a telephone exchange. Besides the club members a large number of the townspeople enjoyed the pictures that were interesting and instructive.

At a meeting of the city council Tuesday evening the resignation of Frank Love as chief of the police department was accepted. It was presented to the council by Police Commissioner Crane. Love has been chief for the past three years.

Crane presented the name of Thomas Kearney, who has been on the force for the past year, to fill the vacancy. The promotion of the young officer was well merited.

The council also named Frank Roach Jr., as a regular police officer and re-appointed John H. Heltzel as relief officer. The appointments are all effective immediately.

Items in the city's budget for the 1933-34 fiscal year were discussed at length by the councilmen. The budget will be adopted and the tax rate set at the regular meeting of the council next Tuesday night.

Comptroller E. M. Stack of San Mateo county reported to the council that the assessed valuation of the city totals $1,006,010, of which $898,122 is taxable real and personal property.

**Seek Beer Ordinance**

Members of the council directed City Attorney George K. Whitworth to submit a beer sale licensing ordinance to them at their next meeting for their consideration after Councilman W. E. Dale declared his belief that beer gardens should be made to pay a license fee.

Several ordinances were given their first reading by title only: Regulating the keeping of poultry, regulating the keeping of horses and livestock and regulating the keeping of dogs.

A letter was ordered sent to the district's fire chief requesting him not to burn grass or rubbish on paved streets. The superintendent of streets was directed to fill a ditch across University drive at a cost not to exceed $5.

**Sell Motorcycle**

Sale of the city's police motorcycle to former Police Chief Frank Love for $88 and purchase from him of certain articles of office furniture for the same price were authorized by the council.

Mrs. J. R. Burns requested the council for permission to divide two lots on Creek drive near Princeton road in Stanford Park into three lots. She was informed by City Attorney Whitworth that this could be done but was told that the 30-foot setback ordinance must be observed to the letter in the erection of a studio house on one of the lots when she displayed a plan indicating that one corner would extend slightly beyond this line. A building permit for $2500 for construction of this building has been issued Mrs. Burns, who plans to erect two other homes there.

## Redwood City 30 Years Ago

Mrs. Bunn of Shasta county, a former resident of Redwood City, is visiting her friend, Mrs. John Glennan.

Albert Mansfield has secured a position of stenographer with the Western Iron Works on Beale street, San Francisco. Mansfield is a graduate of Sequoia nigh school and attended Stanford for a time, but determined to go into business life so he entered a San Francisco business college from which he recently graduated.

Frank Marcus, Louis Genochio, Henry Steinberger and A. Frazer, are at work on an ark now being constructed at the tannery. It will contain four rooms and when completed will be fitted up with modern conveniences, and will be used for hunting parties about the bay next winter and also for pleasure trips.

Redwood City and vicinity will be largely represented at Stanford this year, and when the winter semester opens next Thursday the following will begin work: Leslie Johnston, Hjalmar Holmquist, Stanley Rice, Bert Shine, Roy Curran, Ed Hurlbut, Lewis Stirling, and Roy Cloud in the law department; Miss Aurora Peterson, Miss Deene Linenger, Miss Hattie Nobs, Miss Gertrude Beeger, Miss Dorris Pugh, Miss Ethel Rosseter, Miss Grace Barret, Miss Mildred Smith, Miss Edith Kelley, Miss Mildred Halsey, and Miss Myrtle Rosseter, will take up literary and language work. Miss Emma Haywards will register in economics; Fred Nobs, Ben Saunders, George Clack, Grover McNamara, Edmo Levy, and John McDougald will take engineering courses. Stanley Smith will return and do graduate work in the modern languages, and Hall Ross will do graduate work in law.

## Tickets Go on Sale For Patrol's Dance

Tickets went on sale today for the annual ball of the California Highway Patrolmen's Association to be held at Tanforan on September 23. They may be secured from the traffic bureau here or from any of the state traffic officers. Proceeds from the annual ball go toward the widows' and orphans' fund.

## Management of R. C. Eating Place Changes

Announcement was made today that Mrs. Marie Thomas and Mrs. Sally Van Winkle, both of San Francisco, have assumed management of The Cottage, restaurant located at 706 El Camino Real. Mrs. Van Winkle was for 14 years in charge of the kitchen at the Temple Bar Tea Room in San Francisco.

# 'TRIBUNE' OPENS $3000 BETTER HOMES CONTEST

To encourage a movement for better and more comfortable homes in the community, and to make its homes a source of greater pride to every citizen, The Tribune today announces a county-wide Better Homes contest.

The contest begins today and closes December 31. Every homeowner in the county is eligible to enter. The contest is conducted under the auspices of the renovize campaign committee.

Examples of home improvement made during the contest period become eligible for $3000 in prizes, a total of 116, which will be distributed by Better Homes and Gardens, monthly magazine of Des Moines, Iowa.

There are four classes, the division being made on "an amount-spent" basis. One class includes home-improvement projects costing less than $150 to complete (including material, labor and built-in equipment); the second, home-improvement projects costing from $150 to $500; a third costing between $500 and $1000; and a fourth, more than $1000.

In each class there are 29 prize-money winners. First prize in each class is $200; second prize, $100; third prize, $50; fourth prize, $25; fifth prize, $20, and sixth prize, $15; seventh through 11th prizes, $10 each; 12th through 29th, $5 each.

**$1000 Sweepstakes**

And topping them all is the most important prize—the national sweepstakes—$1000. The total to be awarded the one best entrant chosen from the four first prize winners.

In addition, Better Homes and Gardens will award certificates of merit to those whose home-improvement projects warrant such certificates.

Within classes the amount of money you spend will not be counted in the judging. It's results that will count—how much you've improved the comfort, convenience, utility and beauty of your home.

**Many Possibilities**

Home improvement includes any project of remodeling, rebuilding or modernizing the home. Suggested projects are the following: Re-roofing, finishing the attic or basement, modernizing the bathroom or kitchen; the addition of one or more rooms; the enclosure of a porch, or the addition or enlargement of dormer windows. The Tribune lists these only as suggestions. Any project which improves and beautifies the home is eligible for the contest, whatever its size. The small home has just as much chance as the larger home. It is the practicability, effectiveness and added convenience of the improvement which will count.

The Better Homes contest rules are simple, and there will be no entry fee. The contest committee and The Tribune contest editor will give suggestions and all possible help to contestants.

Home owners who have contemplated improvements are urged to begin them at once, and so be eligible for the prizes. Prices of building remodeling materials are the lowest in years, and every dollar spent in improving the home means an increased property value to the home owner.

The Tribune is sponsoring this Better Homes contest because better homes mean more comfortable and enjoyable homes for the community, and a better environment for its children.

Entries in the contest should be mailed or brought at once to The Contest Editor, The Tribune.

It has been estimated that the average cost of running an automobile is $229 a year, of which $101 goes for gasoline.

*IS THERE ENOUGH*

**LIGHT** *in your home?*

YOU can make a distinct change in the appearance and comfortable livableness of your home by giving a little attention to lighting. Usually that is all that is needed, attention and thought given to proper lighting in the same measure as thought and attention is given to color schemes, furniture selection and arrangement. Proper lighting is not costly to attain if it is carefully planned for comfortable and convenient use.

Study the illustration above. It shows a common fault with lighting that may be noticed in many homes, and perhaps your home. Here is a lamp placed beside a corner of a davenport because the furniture arrangement placed a table there. The result is a limited spread of light. Proper lighting would make the entire davenport a comfortable and pleasant place in which to read or work without squinting or eyestrain.

Poor light induces eyestrain and may cause permanent harm to vision. It is also responsible for headaches, weariness, depressed feeling and nervousness.

And it costs so little to light up for cheerfulness, for comfort, for adding to the attractiveness of your home. Lamps and electricity are lower in price today than ever before. They are so inexpensive that every home should have all the light needed for comfort, health and safety.

## Light Opera Ass'n Offers 'Patience' October 27 and 28

Following the unqualified success of its spring production "The Mikado" which played to capacity houses for two nights at the Burlingame high school, the San Mateo County Light Opera Association is preparing to present as its fall offering the tuneful Gilbert and Sullivan light opera "Patience."

Tryouts have been held for several weeks in an effort to select the principals from the wealth of material offered, which include the finest musicians from all parts of the county, and at the first general rehearsal Tuesday evening in Brewer hall, Burlingame, a lineup of the chorus was made.

Fred Carlyle, well known dramatic coach, who has been directing amateur productions in all parts of the state for the past 25 years, will supervise the play and James C. Fyfe, conductor and music leader of the peninsula will wield the baton.

In the personnel of the association are some 200 of the finest musicians of the county.

Tentative dates for the performance are October 27 and 28 in the auditorium of the Burlingame high school.

## Johnson Estate Petition Filed After Suicide

Though he saw that his clients left wills, Maj. Archibald M. Johnson of Hillsborough, prominent lawyer and son of United States Senator Hiram Johnson, left none himself. Johnson shot himself to death August 1.

A petition for letters of administration in Johnson's estate was filed today by William C. Mikulich. The latter is the appointee of Senator Johnson. The petition states that the value of Johnson's holdings has not been determined.

It is believed that the property is heavily encumbered and the estate is thought to be in debt.

## Y Camp Leaders to Have Picnic Soon

An all-day picnic and barbecue will be held by the young men who were leaders at Camp Yu-Mi-Ci-A, boys' camp of the Young Men's Christian Association, at the camp Saturday, at which time their girl friends and the other members of the staff and their wives will be guests of honor.

Ray Matthai and Kenneth Smith, the committee in charge of the program, have outlined a group of activities starting at 10 a. m. and running through the day with a campfire program finale. Among the other events will be swimming, baseball, volleyball, dancing and stunts. Between 40 and 50 are expecting to be in attendance.

Leaders from this section who are planning to attend are Marshall Virello, Coburn Palmer, Fred Palmer, James Cuffe, Kenneth Bennett, Ralph Beale, Leonard Blaikie, Billy Dusel, Junior Hodgson, Daniel West, John Niederhauser, James Fisher, Charles Giffin, Charles Bendeich, Joe Southward, Paul Hansen and Walter Dowdy.

**CITY SALARIES RAISED**

BURLINGAME, Aug. 17.—A reduction of 2 cents in the Burlingame tax rate is in prospect today following the tentative adoption of the new budget. The budget totals $190,000, approximately $8000 less than a year ago. The rate is $1.43. Salaries of all city employes are to be raised.

Fifty years ago, the annual death rate in New York City was 30 per 1000 of population; today, it is about 12 per 1000.

# Three Escape From Juvenile Home in Night

Three northwest youths were free today after escaping Tuesday from the juvenile detention home here.

Two of the boys, Frederick Reynolds, 15, and William Bobert, 15, both of Spokane, first made their escape by removing a hasp from the linen room closet door upstairs and going out onto the roof and then sliding down the drain pipe.

They secured a long pole and pushed up the bolt barring the windows in the room occupied by Pat O'Reilley, 16, of Seattle. They then pushed a hose up to O'Reilley. He fastened it to his window and slid to the ground.

All three youths then stole away into the night, and secured a good start as their absence was not discovered until breakfast time this morning.

Francis J. Robinson, juvenile officer, said the three youths were merely picked up as runaways and only ordinary precautions were taken to guard them. The hasp was not locked, he said, so that it could be removed in case of fire.

## Belmont School To Be Reopened On August 28th

BELMONT, Aug. 16. — School bells will ring on Monday morning, August 28, for the children of the Belmont Grammar School.

The faculty will include Miss Mabel Crosby, principal; Miss Ida Stebbins, Miss Annette Girard and Miss Eileen Russell.

The Howard Foundation School at the California Sanitarium, which is under the jurisdiction of the Belmont school district, will also open on August 28, with Miss Aida Baldiccini in charge.

Charles W. Collier of Belburn Village presided at a noon meeting of the San Francisco Advertising Club held at the Palace Hotel last week.

The NRA supporters at Belmont have grown to eleven.

Miss Mary Morser of Belmont will be among the Stanford graduates who will receive the A. B. degree next month. Miss Morser plans to continue at Stanford this fall and will study for a master's degree and teacher's certificate.

Mrs. Anna Hansen was hostess at a "kaffee klatch" at her Ralston boulevard home several days ago. Her guests included Mrs. E. M. Otto and daughter of San Francisco and Mrs. J. Lazarus of Fresno.

Mrs. Louis Vannier, Miss Doris Vannier and Ernest Vannier have returned from a vacation spent at Lake Tahoe. On Monday morning Miss Vannier resumed her duties as teacher in the Burlingame schools.

Plans are under way for a card party to be held on September 16 by members of the Belmont American Legion auxiliary. The affair will be in charge of Mrs. Louis C. Vannier, who will be assisted by Mrs. C. E. Gorse, Mrs. A. Murray Spooner and Miss Doris Vannier.

There are about 5,000 different languages in the world.

## Civic Club Heads Will Meet Tonight

SAN MATEO, Aug. 16.—The San Mateo County Federation of Improvement Clubs and Associations will hold its regular monthly monthly board of governors' meeting tonight in the San Mateo City Hall council chambers, with Hugh C. Riley, chairman of the board, presiding.

Many important matters will be discussed, among those being the new county charter, establishing the naval base in San Francisco bay area, the livestock exposition building, the coast road, the renovize movement and others.

T. Louis Chess, executive secretary, will speak on the renovize plan and county charter. W. H. Morrissey, president, will address the group on taxation.

English is the official language of all Philippine courts.

## Felix H. Decker Taken By Death In Vets' Hospital

Felix H. Decker, 40, shoe repair man of Redwood City and a disabled war veteran, died in the veterans' hospital at Livermore Tuesday. He had lived at 425 Bradford street.

Mr. Decker came to Redwood City from San Mateo, where he was active in affairs of ex-service men. He was past commander of Edmund Parrott Chapter, Disabled American War Veterans, and was a member of the executive committee of San Mateo Post No. 82, American Legion. He is survived by relatives in Texas. The funeral will be Friday in San Mateo. The E. L. Patterson parlors are making the arrangements.

## Lending Library is Open on Winslow St.

Miss Helen D. Smith announces the opening of Helen's Lending Library at 807 Winslow street, opposite the depot.

All of the newest books of fiction, travel and biography are offered by Miss Smith. Books are added daily and it is planned to develop the library into one of the largest and finest of its kind on the peninsula. No entrance fee is required.

Miss Smith is a graduate of the University of California, where she majored in literature.

### FINAL DECREE GRANTED

Mrs. Adelaide R. Metzger today was granted a final decree of divorce from Ross D. Metzger and was given the right to resume her maiden name of Malatesta, by Superior Judge Franklin Swart.

Miss McDannold, formerly of the Cardinal Beauty Shoppe, Palo. Alto, now associated with Mr. Vannie.

## Clubs to Work for Lower County Taxes

Efforts will again be made by the San Mateo County Federation of Improvement Clubs and Associations to secure a reduction of county taxes, W. H. Morrissey, of Redwood City, president of the clubs, announced last night in San Mateo.

The budget studies will open tomorrow at 9 a. m. before the supervisors, but public hearings will not be held until August 20 or thereabouts.

The federation last night went on record against the payment of any fees to County Engineer James S. James for work done by him in connection with the Ocean Shore highway study, which ended in a decision by him that the railroad right of way ought not to be used. None is paid James, anyhow, it was reported here.

Hugh C. Riley, of San Carlos, chairman of the board of governors, presided at the session.

## Stoeckle Will Is Put On File Here

The Bank of America today petitioned for probate of the will of Henry J. A. Stoeckle, who died July 27 at San Mateo, leaving an estate estimated at $10,000.

Stoeckle's will was written on October 8, 1932, and names his widow, Friederike, of 819 Tilton avenue, San Mateo, as chief beneficiary.

## Auto Driver Fined $25 in Traffic Case

Refugio Ramirez, 34, employed in a local tannery, was fined $25 Monday by Police Judge Edward McAuliffe or given the alternative of spending 10 days in jail when he faced the court on a reckless driving charge today. Ramirez was arrested early Sunday on El Camino Real when his erratic driving caught the attention of Officers W. H. Thorpe and E. G. Fogarty.

Among the freight carried by the airplane which inaugurated air-mail service between Quebec province and New York state was a live bear cub.

## Territo Market In $10,000 Renovizing

Cooperating with the Renovize San Mateo County Campaign, Joseph Territo today signed a renovize pledge for $10,000, which will be the cost of installing his new super market at 2618 Broadway. Work has already started on the new store which will have four complete departments including, delicatessen, grocery, meats and fruits and vegetables. Everything will be the most modern and finest obtainable. Redwood City firms and workmen are being given preference on all work.

Gasoline retails at about 60 cents a gallon in Bolivia.

## 16 Districts In Co. Not to Raise Any School Tax

Sixteen of San Mateo county's 38 school districts will not raise any taxes for school purposes during 1933-34, County Superintendent of Schools Pancy Jewett Abbott reported today.

This is the result of the absorption of school costs by the state, and the signing of Assembly Bill No. 1078 calling for districts to use up their cash surpluses before levying new taxes.

In Redwood City, Miss Abbott said, the goal now sought is a 25-cent reduction of school costs. It is hoped to save about five cents on the high school maintenance cost, and a good portion of special school and building costs.

Redwood City taxpayers, while escaping the $1.208 cost absorbed by the state, will continue to pay district taxes for schools, including the bond redemptions.

Districts escaping any school taxes this year are Alpine, Half Moon Bay, Higgins, La Vista Union, Menlo Park, Millbrae, Montara, Pescadero, Pigeon Point, Pilarcitos, Pomponio, Portola, Tunis, Wurr, Jefferson High, and San Mateo Junior College.

## P. A. Man Cited for Driving Recklessly

BURLINGAME, Aug. 14.—H. L. MacDanell, 431 Channing street, Palo Alto, was cited for reckless driving here late Saturday and was released on $25 bail after his car and another had collided at Bayswater and El Camino Real.

The other car was driven by Emile H. La Place, San Francisco.

## V. F. W. Council For NRA Program

Delegates representing James Lindsay Wilson Post No. 2510, Veterans of Foreign Wars, attending the San Mateo-Santa Clara County Council gathering, today had followed up the action taken by the local post at its last meeting in having the council accord full support to the NRA program.

The local post will be host to the council at its next regular meeting, which will be held on Saturday night, September 2, at the Sequoia Hotel, Walter F. Hermann, post quartermaster, an-

The ceiling in one of the federal courtrooms in San Francisco is a reproduction of one in the congressional library.

Violins and violas got their name from the violet.

## Escape From Reform School Is Detained

BURLINGAME, Aug. 14.—George Blair, alias Lacey, 18, who told police he escaped from the Montana Reform School, was held by police here today. Blair said he escaped last May, and local authorities were holding him pending word from Montana.

## Councilmen Sit As Equalization Body

Members of the city council met in the firehouse auditorium on Middlefield road on Monday to sit as a board of equalization.

Several taxpayers appeared to protest their assessments, and the council promised to look into their complaints.

# Morrison Arrives To Take up Duties As Health Chief

Dr. Harold E. Morrison, San Mateo county's new health officer, arrived from Los Angeles Monday and conferred with County Manager Walter T. Kellogg.

The new health officer was later to see Dr. A. L. Offield, superintendent of the Community Hospital, and will open his offices in that institution. The health officer said he looked forward to his new duties with extreme pleasure. He was assistant health officer at Los Angeles.

Dr. Morrison was appointed to the post last Monday by the board of supervisors on the recommendation of the county health board headed by A. W. Deuel of San Mateo.

## Collision Results In Injuries to Four

BURLINGAME, Aug. 14.—Thomas O'Rourke, San Francisco, suffered possible internal injuries here in a collision between his car and one driven by Mrs. D. K. Lateosian, 1445 El Camino Real, who escaped with cuts and bruises. Her son, Donald, was also slightly injured.

Willa Nestroy, San Francisco, riding with O'Rourke, was cut on the face and hands, and lost her pet dog, "Chico," in the excitement.

### STUDENT EXONERATED

Charles Manger, 21, Stanford University student, was exonerated in the shooting of Karl W. Heye III, wealthy young New Yorker, aboard the Europe-bound liner Bremen on July 31, the Associated Press reported from New York.

# County Share Of Auto Fees $34,604.74

The department of motor vehicles today announced the apportionment of $4,758,944 in motor registration fees to be divided equally between the division of highways and the various counties of the state for road building purposes.

The counties will receive a total of $2,379,472, the share of each being based on the number of vehicles registered during the first six months of 1933. The division of highways will receive a similar sum.

The apportionment is based on a net total of fee-paid registrations for the period of 1,929,515 vehicles divided as follows:

Automobiles, 1,766,367; solid trucks, 5,015; pneumatic trucks, 93,032; motorcycles, 7,190; solid trailers, 5,533; pneumatic trailers, 52,378.

Los Angeles county with 789,691 vehicles received $973,844, the lion's share of the money. San Francisco received $172,252, the second largest share.

Registrations and apportionments to San Mateo county follow: Total fee paid registration, 28,061; county's share of apportionment, $34,604.74.

An air taxi service is to be established at Liverpool, England; air planes will carry business men to all parts of the British Isles as soon as they disembark from their boats.

## Fire Siren To Herald Arrival Of New Truck

WOODSIDE, Aug. 16.—Woodside will have cause for rejoicing tomorrow morning when, about 10 o'clock, one long shriek of the fire siren will announce the arrival of the new fire truck which the Woodside Board of Fire Commissioners recently purchased.

The new vehicle is a Mack truck with a combination hose and tank wagon which will carry 300 gallons of water, one thousand feet of 2½-inch hose and five hundred feet of ¾-inch hose, and two hose reels.

This truck has many special features representing the very latest in fire fighting apparatus.

Although a test was made yesterday in San Francisco, immediately following the truck's arrival here an underwriters and road test will begin at 10:30 at Searsville lake. There will be a three-hour pumping test of the 500-gallon pumper.

The buying of this new apparatus has meant no added financial burden since the savings in the operation of the department in the last few years has equaled the purchase price of this modern equipment.

## Women Motorists Sue Over Accident

Marjorie J. Roberts and May Connant today filed suit here for damages for personal injuries incurred in an automobile collision on the Half Moon Bay road on May 31. The former seeks $2906, and the latter, $2500. Thomas Molle is named as defendant.

## Woodside Men En Route Home From Travels

WOODSIDE, Aug. 16.—Mr. Henry Bottger of Woodside accompanied by his nephew, Kenneth Barteaux, of Redwood City, are homeward bound from a two month's journey which has included a visit to the Century of Progress exposition at Chicago, a visit with Mr. Barteaux's grandmother at Halifax, Nova Scotia, and a trip into Florida.

Mr. and Mrs. Paul Goebel have as their house guest for this week, Miss Helen Samuelson of San Francisco. The Goebels recently returned from a vacation trip which included visits to Lake Tahoe, Yosemite Valley and Tuolumne Meadows.

Mr. and Mrs. James Dimond and their children, Frances and Jimmy, have returned to their San Francisco home after having enjoyed a vacation at their summer home on the Canada road. Mr. Dimond is a member of the San Francisco Fire Department stationed in the Richmond district.

Miss Grace Winkler and Miss Priscilla Jarvis have returned to their homes after two weeks spent at Camp Chaparral in Big Basin, the regional camp for Girl Scouts.

## San Jose Judge To Set Date of New Flood Trial

Superior Judge W. F. James of San Jose will sit here Monday at 10 a. m. in Department 1 to set the date of the new trial in the James L. Flood fortune fight.

County Clerk Elmore B. Hinman has set the date tentatively for November 15, and the litigants will be asked to approve this date.

It has met with the approval of Attorney John J. Taaffe, who represents Mrs. Constance May Gavin, claimant to a daughter's share of the Flood fortune.

Either Superior Judges Franklin Swart or Maxwell McNutt could have set the date but both preferred to have an outsider do it. The two local judges were on opposite sides in the former Flood trial.

By the time of the trial, the judicial council must name an outside jurist to preside over the contest, which is expected to consume from three to six weeks.

### HERE FROM PASO ROBLES

Mr. and Mrs. A. Robertson and daughter, of Paso Robles, are now residing at 808 Heller street, in Redwood City.

### LEGAL

**NOTICE OF TIME AND PLACE SET FOR HEARING PETITION FOR ORDER TO MORTGAGE REAL ESTATE.**

No. 6209

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO.

In the matter of the estate and guardianship of HELEN FINETTI, minor.

NOTICE IS HEREBY GIVEN that FRANK FINETTI, guardian of the estate of HELEN FINETTI, minor, having filed in this court his petition praying for an order authorizing him as such guardian to borrow the sum of one thousand seven hundred three and 63/100 ($1703.63) dollars and to execute a note or notes and mortgage or deed of trust for the interest of said minor in and to certain real property in said petition and hereinafter particularly described, reference being hereby made to said petition for further particulars, the hearing of the same has been fixed by the Clerk of said Court for Monday the 28th day of August, 1933, at 10 o'clock A. M. of said day, at the Courtroom of the above entitled Court, situate at the Courthouse in Redwood City, County of San Mateo, State of California, and all persons interested in said estate are notified then and there to appear and show cause, if any they have, why said petition should not be granted.

Said property is situated in the County of San Mateo, State of California, and bounded and particularly described as follows, to-wit:

COMMENCING on the southerly line of Bellevue Avenue distant thereon two hundred and seventy-five (275) feet easterly from the corner formed by the intersection of the southerly line of Bellevue Avenue and the easterly line of Oliver Street; running thence in an easterly direction twenty-five (25) feet; thence at right angles in a southerly direction one hundred and twenty (120) feet; thence at right angles in a westerly direction twenty-five (25) feet, thence at right angles in a northerly direction one hundred and twenty (120) feet to the southerly line of Bellevue Avenue and the point of commencement.

Being lot number twelve (12) in Block number four (4) as all of said lot and block are so shown and delineated upon that certain map entitled "Map of the subdivision of Block numbers 2, 3, 4 and 5 of the lands of the Concordia Land Co., County of San Mateo, State of California, filed April 16, 1907, and recorded in Book "A" at page 73 of maps in the office of the County Recorder of said County.

Dated: August 4th, 1933.

E. B. HINMAN, Clerk.
By MURA B. STILLESON, Deputy Clerk.
